PROJECTS

Great Date | **Link to Deployed Project***: https://haleyhilton.github.io/No-Clue-What-To-Do/*
- **_Summary:_** *So often we are paralyzed by the inability to choose or are too tired to even know where to start when deciding on date ideas. Great Date solves this by asking the user three questions in order to generate great date ideas.*
- **_Responsibilities on project:_** *HTML skeleton build, layout and styling of application.*
- **_Languages used:_** *Javascript, HTML, CSS, Bootstrap, Jquery, API's*

EXPERIENCE

Optician   Nov 2021 – present
Meredith Walton OD, Optometric Corporation   San Diego, CA

Working in partnership with Optometrist's to solve visual deficiencies of patients through either eyewear or contact lenses. Communicating to patients their Insurance benefits and coverage and answering any insurance queries, as well as working directly with patients as a consultant to find the best method to achieve a solution.

Key Accomplishments:
- *Lead in inspection of prescription eyewear after production to ensure accuracy of prescription and quality of lenses for patients.*
- *Troubleshooting eyewear or contact lens prescriptions with patients in order to assist the Optometrist to find the best solution for the patient.*
- *Submitting Insurance claims and ensuring accuracy of charges and orders for eyewear for laboratory completion.*

Multi-Site Practice Manager   *Oct 2020 - Oct 2021*
Total Vision LLC   *San Diego, CA*

Lead two Optometry practices teams of Optometrist, Opticians, and Optometric technicians to provide exceptional care and quality to patients. Partnering closely with the team to find new ways to implement improvements and leading them to grow practice revenue output without sacrificing quality of care as well as assisting and investing in their individual skill development and training.

Key Accomplishments:
- Through Team building and consistent touch base meetings able to consistently meet Revenue goals.
- Assisted in individual skill development and training to ensure consistent quality of care.
- Main spokesperson for both practices and responsible for conflict resolution of patient issues, team problems and growing and or maintaining practice financial health.

Lead Optician/Eyewear Specialist   *June 2018 - Oct 2020*
Golden Triangle Optometric Center   *San Diego, CA*

Worked in partnership with Optometrist's to solve visual deficiencies of patients through either eyewear or contact lenses. Communicated with patients Insurance benefits and coverage and answered any insurance queries, as well as worked directly with patients as a consultant to find the best method to achieve a solution.

Key Accomplishments:
- *Lead of a small team of opticians to ensure quality of care and efficiency of office.*
- *Assisted with minor eyeglass frame repairs.*
- *Main spokesperson for a small team to higher management to either communicate collective issues, ideas, or accomplishments.*

Optician/Office Manager (Dec 2016 - June 2018)   *June 2015 - June 2018*
Clairemont Optometry   *San Diego, CA*

Worked in partnership with Optometrist to solve visual deficiencies of patients through either eyewear or contact lenses. Ensured office efficiency and quality inspector of eyewear orders, patient care, frame inventory and monthly revenue goals, and overall office performance.

Key Accomplishments:
- *Lead lab technician in charge of fabricating and insertion of lenses for eyewear orders.*
- *Quality control inspector of incoming eyeglass orders.*
- *Worked with frame vendors to anticipate what products our patient demographic would most likely be gravitated to to ensure practice revenue and overall patient satisfaction.*
